

**November 30, 2022**

11111 Jefferson Community:

Project Status for the Month of December 2022 –

1. The project is temporarily on hold while we transition from the Demolition Contractor to the Building Contractor. Clayco Corp. is our Building Contractor.
2. The site is secure and limited deliveries occurred in November. No further deliveries anticipated before year end.
3. The owner and contractor will continue to monitor the site for compliance of regulatory measures through the transition period and into the future.
4. We will continue to work through administrative tasks, planning, permitting, with preparation for construction to begin within first quarter of 2023.

Further notifications will be available on the project website: **11111Jefferson.com**.

If you would like email notifications, please provide your email address within the “Contact” section on the [www.11111Jefferson.com](http://www.11111Jefferson.com) website.
